

PRO SE APPLICANT-PLEASE READ

You have requested a pro se custody-visitation form, to receive one you must call The Dayton Bar association Volunteer Lawyer Project at 461-3857 for an appointment to prepare your submission. You will be given an appointment to meet with a lawyer for review of your prepared forms. **THIS ATTORNEY WILL NOT REPRESENT YOU AT TRIAL** but will make sure your forms have enough information to provide the court with a way to help you. The VLP project will also notarize your affidavits. If for any reason your submission is not accepted for review by the Volunteer Lawyers Project due to income you are free to file at that time with the clerk for review by court staff. You must indicate the date you were rejected by the VLP and the person you spoke with. In the event you are stating a child emergency, health or safety issue this instruction does not apply and you can file with the clerk immediately. Many cases are currently rejected at trial due to being in the wrong court or filing the wrong papers. This takes up court time and costs you money, as court filing fees cannot be refunded. The court urges you to obtain an attorney if you can afford one so that all issues may be considered. Your cooperation in these matters is appreciated.
